is on the way!**

Every Adventure Begins with a Clue

We're gathering the gear for your next chapter!

Our **Certified Quester** and **Ultimate Quester Explorer** membership packages are getting ready for their big debut.

First, we're checking our merchandise samples and waiting for our stock to arrive. Once everything is ready, we'll pack each welcome package ourselves and send a little Cape Cod adventure your way.

Paid memberships will open when the merchandise is in stock and ready to mail.

Thank you for cheering us on while we get everything ready!

Your adventure can start today!

Our free Quester membership is open! Join the crew and explore our Activity Hub while we get the mailed membership packages ready.
